MOOD:  wary

MUSIC: T -- "Didn't I use to have BROWN SHOES?"

I'm taking T. to the airport at noon. After that I'm getting some lunch.

Then I'm going to

 **Ometotchtli** (<https://Ometotchtli.livejournal.com/>)'s. After which I will mysteriously never be seen again, having joined Amelia and Ambrose at whatever tea party is so absorbing it keeps them from spotting their own names in the newspaper.

But if I'm lucky--and fast--at least I might get some bread pudding.

We who are about to die salute you!

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

You might get bread pudding with hard sauce, even.

Served hot.

You like raisins? How about sultanas?

I know you like pecans.

Oh, smile. Oh, big happy smile. In the resulting bliss coma, I might not mind if she *does* make my hair pink.

What are sultanas? Are they not like raisins?

She refuses to show me any of the implements of destruction. And keeps saying, "Trust me."

Admit it.

My kung fu is superior to your kung fu.

If you hate it, I will help you shave your head.

(I think it looks super cute.)

She was totally hot.

See, I was looking for a literary connection.

I am a total Missing Famous People geek.

I have Jimmy Hoffa theories, but I'm afraid to talk about 'em. Someone where I work probably knows aaaaaaall about it. And I would never be seen again.
